ABOUT US

Richmond BizSense is an independent newsroom covering the companies, deals, and people shaping Richmond's economy.

Our reporting spans real estate, development, startups, law, energy, and the forces driving growth across RVA. Through daily newsletters and on-the-ground reporting, we provide timely, factual coverage to keep the business community informed.

Richmond BizSense also convenes the region's leaders through interviews, panels, public forums, and award ceremonies with influential decision-makers.

THE EVENT

RVA 25 is Richmond's legacy business award celebration — an evening where Richmond's top executives and rising companies gather to celebrate the businesses driving the region's growth. It's one of the most anticipated nights on Richmond's business calendar, bringing together the people and companies shaping the city's future.

New this year: A category honoring Richmond's fastest-growing nonprofits. RVA's nonprofit sector has been making an incredible impact, and we're excited to shine a spotlight on the organizations leading the way.
